The Worst On Record.

With no rain in sight it seems certain that the present drouth in Kentucky will be the worst on record, not even excepting 1854. Reports from all over the State to the Western Bureau are that not only stock, but farmers, are actually suffering from the scarcity of water. All the trains are hauling twice as much water as they were carrying a week ago.

Just Received.

I have just received 500 barrels of fancy New York apples. These apples are fine for either eating or cooking and will keep for six months. See me before you buy your apples and I will save you money.

Neighbors Speak Well of Him.

The Georgetown News, of last week said: "The numerous friends of Hon. Albert Thompson, of Bourbon county, will be delighted to know that he had an easy thing in winning the nomination for Sheriff of that county by a majority of 628. Good Democrats will not, and it is foolish to expect it of them, to turn down a friend like Thompson. His record in the Legislature will stand inspection at all times. Albert Thompson is a true-blue Democrat and will always be found fighting for the cause of Democracy."

NICE MACKEREL.—A large consignment of nice mess-mackerel just received. 7tf LOUIS SALOSHIN.

Football Casualty List.

Thirteen deaths have resulted from football this season. The casualty list is the same as last year, but the number of serious injuries during the season just closed will exceed that of any year since the introduction of the modern college sport. The players injured number 296. This is the innocent game that is endorsed by the Christian Presidents of Colleges who would faint if you should mention the word "prize-fight."

Fine Whiskies.

I have a fine line of the best whiskies, such as James E. Pepper, Farr and VanHook, both in bottled and barrel goods. These whiskies are recommended for medicinal purposes and family use. I am also agent for the famous Lion Beer.
